

Site regulations 2024

Sanddobberne Camping
Kalundborgvej 28, 4534 Hørve
Camp manager: Finn Kristiansen

The rules are there to ensure you have a good stay.
If you are in doubt about the interpretation, ask at reception.

We recommend that all guests contribute to a good atmosphere in the square, using common sense and common consideration.

Danish law must be observed.

Possibly, disagreements with the camp manager, or violation of one or more rules, may result in expulsion and/or lived.

It is recommended that the guest stays informed about activities and current conditions at the campsite. There are notices in Reception or in the hanging cupboards just outside, as well as on the notice board in the Courtyard.

THE PITCHES and DISTANCE RULES

According to the fire regulations' 3-metre distance rule, the tent/wagon/tool tent must be set up so that it does not impair the neighbour's set-up options. 1.5 meters must therefore be observed for all dividing lines, so that there is at all times 3 meters to the neighbour's tent/wagon/tool tent. If a wagon, tent or something else is placed closer than 1.5 m to the boundary, or we are asked by the authority to correct the fire distance, we will ask you to move these. Should you not respond to repeated inquiries, these will be moved. If you are in doubt about where your place goes, ask the camp manager.

- If a reading guide is used, the targets must also be met, and max. 10 reading lanes are set up.
- Fixed floors must be covered by the tent.
- Terraces, fences or the like must not be built. The exception is dog fences, which must be set up in agreement with the camp manager. It must be removed if you are away from the site for 14 days or more.
- It is permitted to set up one caravan, one awning and possibly one tool tent per space. Everything that is not placed within the above must be removed every time the space is left. Caravan, awning and possibly Tool tents must be kept neat, clean and free of algae. For the overall impression of the site, tool tents etc. must be in good condition, and must not be built in mixed building materials. If you are in doubt, ask the camp manager.
- Cleaning/care of the area around your caravan/tent is the responsibility of the tenant. Keep the space neat and tidy. If the space under the cart is used for storage, skirts must be fitted, as this must not be visible.
- It is not permitted to use Roundup or other herbicides.
- All pruning, mowing (in addition to general mowing) and digging on the campsite may only take place in agreement with the camp manager. Violation may mean that the tenant is charged a re-establishment fee, which is determined at the discretion of the camp manager. The entire campsite is subject to restrictions from the Danish Nature Agency, in order to preserve nature as much as possible. We therefore want to keep the space usable and nice to walk on, but not prune and cut down unnecessarily.
- Poles, pegs etc. must not be buried deeper than 45 cm in the ground. There may be

power cables.

- Waste water must be collected and emptied into the chemical toilet (see overview map; KT). If you are in doubt about where, ask at Reception.
- Possibly. bins outside the caravan must be made of a strong material and fitted with a lid.
- Electric cables must be 1.5 square meters and made of rubber.
- Campers are responsible for all their belongings brought to the campsite, including rubbish. Please follow the signs at the waste stations.
- Each seat may max. have 2 pcs. 11 kg gas bottles in the caravan's "gas box", of which 1 bottle must be in operation. In the awning, you must also have 2 x 11 kg gas cylinders, of which only one must be in use.
- All caravans must be able to show an approved gas test that is no more than 2 years old.
